Princess Vlei Fundraiser - Baxter 3 Sept 8 pm

You thought you'd missed it! But now you can enjoy one of Cape Town's all time classic shows, while supporting a great cause. The show, featuring numbers performed at the Lux from Connie Francis, Dusty Springfield, Tom Jones and others, played to huge acclaim last year, and is back for a short run by popular demand.

Proceeds from tickets sold for **Saturday 3 September 2016, 8 pm** will go to **Princess Vlei Forum** for upgrading facilities at the Vlei, and for the **Flight of Dreams Program**. This involves scores of children in creative projects to raise awareness of bird life and other nature at the vlei. Many of these youth come from neighbourhoods challenged by gangsterism, drug abuse and poverty, and benefit hugely from this opportunity.

Since the community victory to have the mall scrapped in March 2014, the Forum has been working with the City of Cape Town on the improvement and management of Princess Vlei.
